Central Jersey Corvette Club, Inc.
PO Box 8031
Bridgewater, NJ 08807

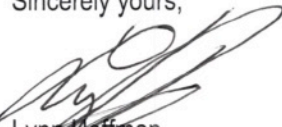

Dear Mr. Bonfanti, Mr. Clarksen and our Corvette Club friends,

Thank you for the generous toy donation for the patients of the Tomorrows Children's Fund (TCF). Your thoughtfulness helped to make their holiday extra special. TCF has been helping children who are fighting pediatric cancer or a serious blood disorder for over 37 years. During this time, we have achieved countless milestones and have many essential financial and emotional support programs in place for both the patient and their family. We offer a supermarket gift card program, have a fully stocked food pantry, we provide emergency financial aid, transportation and other forms of assistance.

The Tomorrows Children's Fund has been the relentless leader when it comes to supporting pediatric cancer and blood disorder patients and their families. Your donation to our foundation enables us to continue these crucial programs. During the year, patients may spend their birthday in the clinic or in the hospital while they receive their treatment and the Tomorrows Children's Fund is always there with birthday wishes and a gift. At TCF, we help the families put food on their table and financially assist them if necessary. TCF strives to ease their pain during this stressful, overwhelming time and with your kindness we are able to meet their needs.

Our accomplishments could not be realized without the dedication and support of caring friends who join hands with us in our mission...we are so very thankful to count you as our friend. Please accept my sincere appreciation for your kindness. Your donation continues to bring hope and joy to so many children who enter the doors of Tomorrows Children's Fund.

Sincerely yours,

Lynn Hoffman
Founding Director
