About Us

The Central Jersey Corvette Club (CJCC) was formed in 1997 by a small group of Corvette owners from Somerset and Hunterdon Counties. We currently have more than 80 members from throughout Central Jersey. We formed a 501c(7) corporation in 2011.

CJCC's main focus is sharing the camaraderie and fun of the only "True American Sports Car". Our members have a variety of 'Vettes from the 1960's to present. We welcome new members and invite you to attend our activities or meetings.

For additional information or if you are interested in joining CJCC, please visit us at:

Activities

Throughout the year we have a range of activities that appeal to a wide spectrum of interests. These include day, evening and overnight cruises, attending Corvette and other auto shows and joint activities with other clubs. We also have several social and charitable events during the year.

Our regular "First Wednesday Cruises" run April – September, weather permitting. The cruises are planned and led by volunteer members and include "informal (optional) nights out for dinner" with members and family, a short cruise through the local area and usually end with a stop at an ice cream venue. Check our web site for 2024 activities

We encourage members to join or lead our cruises, activities and take an active role in Club business, encouraging other Corvette enthusiasts to join and providing increased knowledge of our hobby.

Meetings

Club meetings are held on the third Wednesday of each month (except December) at 7:15PM. They last until about 9:00PM.

The location for meetings is:
American Legion
Stevenson - D'Alessio NJ Post 12
232 Union Avenue
Somerville, NJ.

In addition to conducting Club business and planning our activities, we try to invite guest speakers to address us on topics that are of interest to the members.

The meeting schedule and much more are listed on our website.

**CJCC is a corporate member
and many of our members
support the National Corvette
