

I would like to take this opportunity to thank the members of Central Jersey Corvette Club for making our club such a rewarding success. So much so that we are now celebrating our 25th year. Although we are bonded together by the pride we have as Corvette owners, we are also bonded by friendship, comradery, and the good feeling of knowing we are making a positive contribution to our community.

The Central Jersey Corvette Club offers a variety of activities with the goal of having something of interest for all members. These range from car shows that we participate in as a club, and a variety of social events like cruises, picnics and our Holiday Party. We encourage members to include their spouses in club activities.

The effort to organize and carryout those activities is greatly appreciated and it is with much gratitude that I thank everyone in our club who puts forth a special effort to make the Central Jersey Corvette Club the success that it is.

For those who are new to the club, I would like to roll out the welcome mat on behalf of myself and all our members. The inflow of new people brings new ideas and new energy to our club. We would love to have you.

Rudi Behnke  
President
