Fellow CJCC Members:

With 2020 in the rear-view mirror, the pandemic continues to ravage on. It has been a year like no other ever seen before. A heart felt condolence goes out to all our members and their families that may have lost loved ones. At the time of writing this to you all, our country has just surpassed 20 million Covid-19 cases. As many experts have warned the grim numbers could climb higher in the coming weeks and months. I ask all to continue to remain vigilant with wearing of a face mask, social distancing, frequent hand washing and all-around common sense.

As we look forward to a healthier 2021, the hope is that come spring we will be able to resume a more "normal" life. Being the optimist that I am I have nothing but high hopes for our members and our country. I will be looking to past officers for their guidance and advise. Mike Woskey and Ray Marino as well as any other members to continue with the clubs yearly events planning. As of now the club events and various car shows will all be "to be determined". As for the CJCC Picnic and Holiday Party, they will be considered a go, until further notice. I would like to thank, in advance "vettepam" (Pam Long) for taking so many great pictures for our website.

A big part of our club is the dedication to raising money for the various charities we support. With the donations of over \$4,700., made to Saint Peter's Foundation forThe Children's Hospital and The Food Bank Network of Somerset County, Inc. for the Back Pack Program.

In closing, I would like to thank all our members for allowing me the honor of serving as President of the Central Jersey Corvette Club. I look forward to working with V.P. Rich Bonfanti, Treasurer Virginia Consalvo, Club Secretary George Marchesini, our NCM Ambassador Bruce Cenicola, Activities coordinators Mike Woskey and Ray Marino and our Master of the Web Silvestre Primavera. With being said I ask all members to get involved with the club. As our past president stated" the more you put into something, the more you get out of it". Once again, I look forward to serving you all in 2021.

Respectfully

Scott Sachs

CJCC President
